

## Colfax To Meet Local Team Here Sunday For Game

Ninth Inning Rally Fails,  
Visitors Are Beaten  
11 to 9

A ninth inning rally by Westwood fell three runs short and the Truckee Tahoe Mountaineers Sunday won a well-played game at the local ball park 11 to 9.

With a number of shifts in the infield, and a change in the batting order, Manager Tom Dolley and Coach Tony Donadio presented a new and greatly improved team, assuring a real contest for the Colfax delegation which will come here Sunday for what promises to be the outstanding scrimmage of the season.

The turn-out for last Sunday's game was disappointing. The two managers, Dolley and Dick Little, as well as the team — this year comprising only local boys without a cent of salary have worked long and hard to give Truckee a baseball team and provide Sunday amusement, but unless next Sunday's game draws better than the Westwood game, there is a strong possibility that the team may be forced to disband, Little said, since the meager treasury is far overdrawn.

The visitors got only four hits off the two local pitchers, John Rau, the starter, and Karl Kielhofer in Sunday's game. Rau left the hill after two innings of no-hit ball when he walked four batters. During the first two frames only seven men were at bat off Rau, who did a good job.

Kielhofer was in good form and went into the game with the bases full and no outs. He walked one run in before retiring the side without a hit. Only in the sixth and ninth innings did the Westwooders hit, scoring two runs in the sixth and three in the seventh to add to the one in first and three in the third.

Truckee batters got 11 hits off the two Westwood hurlers. Giovannoni, who played a faultless game at short, Stark in center and Martin in right field, each got two for four. Kielhofer hit the only home run of the day in the third with Dugan on base. Dugan hit one for three, Davidson one for four, and Campbell and Prates, playing second and third, respectively, and doing nice jobs, each got one for five. Al Wakefield, who proved himself a first-class first baseman Sunday, failed to hit but offset this with his fielding performance.

Each team made only three bobbles and for the most part both teams showed mid-season form and the game was entertaining and thrilling from the first pitched ball to the final out.

The score: R H E  
Westwood ..... 9 4 3  
Truckee ..... 11 11 3  
Burroughs, Collie and Yarbber; Rau, Kielhofer and Dugan.

## Reno Picnic Party On Girl's Birthday

A picnic at Idlewild Park in Reno on Sunday, June 24, celebrated the sixth birthday of Virginia Barnes, youngest daughter of Mr. and Mrs. Harry Barnes. Following lunch, a chocolate cake topped with yellow candles was cut and gifts opened by the honoree. Those attending included Mrs. Jack Ellis and daughters Kittie and Terry; Mrs. Doug Barrett and daughters Kathryn and Sheila; Shirley Patton, Karen Smart and the honoree's mother and sister, Donna.

## Roy Chaney's Birthday Observed With Friends

Roy Chaney observed his eighth birthday yesterday, June 27, with a party at the home of his parents, Mr. and Mrs. Robert Chaney, at Meadow Lake Park. Birthday cake and ice cream were enjoyed by the young guests, who included Diana, Michael and Robert Kaspien; Frank, Ronnie and Sherry Borden; Timmy Ridsen, Jacqueline and Kenneth Wilson; David, Dale and Janice Eaton.

## Judith Giovannoni Is 8; Birthday Party Monday

Pink and yellow appointments were chosen for the birthday party given at the home of Mr. and Mrs. Frank Giovannoni for their daughter Judith's 8th birthday Monday, June 25. Gifts were opened and games were enjoyed by the young guests. Those invited were Donna Barnes, Donna and Carol Gracik, Dorette and Pamela Rose, Stephanie Firpo, Mary Ann Faulkner, Doris Van Uden, Ireda Harris and Linda Giovannoni.

**Honeymooners**—Mr. and Mrs. J. Donovan of Sacramento are honeymooners at Homewood Resort.

## Fish For Donner Asked In Petition Circulated Here

With the support and cooperation of the Truckee Chamber of Commerce and the Outdoor Sportsmen, Jack Waggoner of Donner Lake is securing signatures on petitions urging the state fish and game commission to restock Donner Lake.

Waggoner said the decrease in the fish population in the popular lake is alarming and that unless some action is taken to restore the diminishing trout, the lake and balance of the community stands to suffer a great loss.

The commission has experimented with kokanee salmon with only minor successes in Donner Lake and the large plants have thus far failed, with the exception of one good year, to have the desired results. For that reason, sponsors of the present move are requesting that another type of trout be planted in large numbers and of sufficient size to survive.

Officials of the state fish and game commission will be invited later this summer to attend a dinner meeting at Donner Lake to hear reasons why action must be taken, Waggoner said.

"We are not so concerned with the type of trout to be planted," Waggoner declared, "as we are with the necessity that some action be taken soon to keep Donner Lake a good place for sportsmen to catch fish."

Waggoner said he will have 600 signatures on the petition shortly.

## SECOND SUIT FILED FOR \$20,000 AFTER WELL TRAGEDY

NEVADA CITY—A suit for \$20,000 damages and an additional amount for medical care has been filed in superior court here by Miguel Rios, injured while cleaning a well in Soda Springs April 22.

Felix Trujillo was killed in the same well, overcome by gas, and Rios was injured trying to rescue him.

F. S. Edinger, F. S. Edinger Jr., the Fabrication Engineering Company and Shell Oil Company have been named defendants.

A month ago Trujillo's family filed a suit for \$100,000.

## Highway Workers Hurt In Hot Oil Accident

O. "Red" Alexander of Truckee and James Martin of Yuba Gap were painfully but not seriously burned Monday when a hose transporting hot road oil from the truck to a storage place broke, spraying them with the liquid. Both have returned to work with the division of highways. Alexander was blistered on both hands and Martin on his face. They were treated at a Reno hospital.

## Outdoor Sportsmen's Meeting Postponed

Johnny Ciardella, president of the Truckee Outdoor Sportsmen, announced that a scheduled meeting of the club for Saturday night at Capitol Hall has been postponed due to the fact that the Eagles have engaged the hall for a public dance that night. The date for the Sportsmen's session will be announced later, he said.

## Sings in Reno

John C. K. Jackson, cousin of Mrs. Hannah Stewart, was in Reno Monday, singing as a member of the Princeton, N. J., Seminary choir, now on tour of the west.

## Smart Guests

Guests at the Reg Smart home over the weekend were Mr. and Mrs. Edwin Smart of Oakland. Reg Smart observed his birthday on Saturday, June 23.

## Returns Home

Mrs. Everett O'Rourke has returned to her home after undergoing treatment in a San Francisco hospital for two weeks.

## Son in Hospital

Mrs. Norma Highfill, Mrs. Nat Quillico and daughter, Carol Ann, were in Oakland on the weekend to visit the former's son in a hospital there.

## Return to Tahoe

Mr. and Mrs. J. P. Webb have returned to their Tahoe Park residence from Loomis. Mrs. Alice Brown has arrived at Tahoe Pines from Los Angeles.

## District To Sell Highway Lots In High School Area

Directors Clear the Way  
For Levying Taxes  
If Needed

The board of directors of the Truckee Public Utility District have decided to offer for sale that portion of the Meadow Lake tract lying on the south side of Highway 40, between Highway 89 and the east boundary of the high school.

The decision was reached at the meeting of the board held last Tuesday.

Due to the financial condition of the district and the need for further extensions and improvements on the district's systems, particularly the water system, the directors have had under consideration the question of a bond issue or the levying of a tax. The necessary steps have been taken to place a tax on the district, if it is needed.

In an endeavor to eliminate the need for a tax it was decided to offer for sale a portion of the district-owned Meadow Lake tract.

Manager C. Edmunds was authorized to have this portion surveyed into lots of not less than 100 feet frontage on the Highway and approximately 150 feet in depth.

It is expected these lots will bring from \$25 to \$35 a front-foot for commercial use. Later a residential section will be opened in the rear, facing along Donner Creek. The District should realize around \$10,000 in the sale of this particular portion, Edmunds believes.

## 700 POUNDS OF MEATS BURNED IN MARKET FIRE

Loss of nearly 700 pounds of choice meat was experienced by the Truckee Meat Market Sunday night when a fire started in the concrete smokehouse in the rear of the shop. Fat dripping from the meat being smoked ignited and started the blaze which resulted in all the meat in the smoker being destroyed.

The fire department responded to a call when smoke leaked into the building and up through the Masonic Hall above the shop. Aside from the meat, no damage was caused.

## Seibold Is Installed As Lions Leader

Robert Seibold was installed as president of the Truckee Lions Club at the meeting held last night at Donner Lake Lodge. Frank W. Gaenness officiated at the installing officer.

Seibold replaced Robert Gifford as head of the local club. William Becholdt of Tahoe City was seated as vice president; Angelo Besio, second vice president; Jay Richards, taitwister; A. M. Anderson, Lion tamer; E. K. Stice, secretary; R. A. Scott, treasurer; H. T. Langille, Stanley Martin, C. R. Heller and R. F. Waters, trustees.

The club is now meeting regularly at Donner Lake Lodge.

## Bud's Electric Awarded Contract at State Park

SACRAMENTO—C. N. S.—The state department of public works Monday awarded a contract for \$1756 to Bud's Electric of Truckee for electrical distribution system repairs at Donner Memorial State Park.

## Joins CAA Staff

Phil Lemes, recently stationed in the South Pacific, has joined the staff of the CAA on Donner Summit.

## Weekend Guests

Mr. and Mrs. Harris Klunghaus of Berkeley and Mr. and Mrs. Arthur Fiefield of Lakeport were weekend visitors at the James E. Walker home here.

## New Truck

Dave Rogers has returned from a trip to Marin County and is driving a new half-ton Jeep truck for which he is local salesman. Rogers returned with a load of furniture for their home here. Mrs. Rogers having been employed as librarian for the local school district.

## Sun Beams

by Walter M. Barrett

If Truckee wants to continue with baseball it is going to have to indicate it more emphatically through attendance at the games and with a little better rate of contribution. Managers, coaches and players are more than willing to give time, effort and even money to keep the sport going. The park has been put in excellent condition through hard work and materials, all contributed by those who believe the game is a benefit to the community, and the issue is now squarely up to the fans. The game with Colfax Sunday may definitely decide the issue, so come out and join the crowd, join in the fun and help keep baseball an important part of the community's entertainment program. The boys may not always win but you can depend upon them to do their best and win or lose, the games are good fun and certainly deserving of support.

We all heartily approve of bicycles for youngsters, but we don't approve of the way some are being operated. A few nights ago a group of boys on bicycles, without lights, were observed riding blissfully up Highway 40 in darkness, dodging in and out of fast traffic, apparently unaware of the danger they were in. We think these children should be warned and if the warning is not sufficient, they should be punished. Such violations are extremely dangerous and a serious traffic hazard.

## EAGLES, AUXILIARY SPONSORING DANCE SATURDAY NIGHT

Members of the Truckee Eagles Lodge and the Ladies Auxiliary are sponsoring a public dance to be held Saturday night at Capitol Hall. The affair will be in the nature of a hard times party and everyone is invited to join in the evening's fun.

There will be free refreshments. The music will be provided by Tex's four-piece band.

## Past Chiefs to be Feted At Sisters Meet Tonight

A party for the past chiefs will be the feature of tonight's meeting of Pythian Sisters of Summit Temple No. 79 at 8 o'clock and all members are urged to attend by Lorene McEwen, secretary.

## Curran New President Of Truckee Rotarians

William Curran, fire control assistant for the Tahoe National Forest, was installed as president of the Truckee Rotary Club at its Monday night meeting at Donner Lake Lodge. He will be assisted by the new board of directors who are Clarence Tollefson, A. A. Carmichael, Clarence Osburn and John Richards. Tollefson again will be the club's secretary.

Curran and Tollefson attended the district assembly at South Tahoe Tuesday and Wednesday. This assembly provided schooling for presidents and secretaries. Curran will soon make his committee appointments and outline his policies for the year. There will be announced at the next regular meeting July 2.

## O. E. S. Grand Matron Cancels Visit Saturday

The reception and banquet scheduled by Truckee Chapter, Order of Eastern Star, for Saturday, June 30, in honor of Lois Blodgett Tamba, worthy grand matron of California, has been cancelled due to the death of her mother.

According to word received by Mrs. Hannah Stewart, Mrs. Tamba hopes to be able to make her visit later, possibly in August.

## PETERSON TEACHING

M. A. Peterson of Auburn and formerly of the state highway patrol here is reported to have returned to the U. S. Air Force and is stationed at Mather Field near Sacramento where he is instructing recruits. Peterson is a World War II veteran.

## Man Is Critically Hurt In Lightning Storm At Tahoe

Mattheus Home Is Struck  
By Bolt In Severe  
Electric Storm

Mrs. Charles Benedict of Carnelian Bay late Friday afternoon told Constable Harry Johanson that news from her husband's bedside in Washoe Medical Center, Reno, was encouraging. He had regained his speech but still was suffering from severe shock.

Benedict, 66, on Thursday was in the basement room of the family home on the lakeshore under the back porch of the house, when a terrific thunder storm, bringing hail, rain and lightning, developed. Lightning struck a pine tree, about 2 1/2 feet thick, some 20 feet from the porch, splitting the tree in half and stripping it of branches and bark, literally blowing the tree apart. Section of the bark were found 20 feet out in the lake and the furnace on the back porch was smashed to bits by the blast.

Benedict, holding a light cord in his hand at the time, was knocked both unconscious and speechless. His speech returned late the next day at the hospital. Only a miracle kept him from being killed outright by the freak accident.

Neighbors summoned the Kings Beach ambulance and first aid was given the victim by Dr. J. Nessim, after which he was rushed to the hospital. Fortunately, he was not burned badly and no fire resulted.

Clarence Beavers, Tahoe National Forest officer, and Constable Harry Johanson of Tahoe City investigated the strange and unusual accident. The fire truck was rushed to the scene but was not needed. Benedict, according to doctors, must remain in the hospital for some days, as he is in an extreme state of shock. His many neighbors and friends wish him a speedy and complete recovery.

## Lightning Hits House

The afternoon before, the near-by lakeshore home of Mr. and Mrs. Herb Mattheus of Carnelian Bay was struck by a bolt of lightning during a similar storm. The blast burned electric wiring and started a fire on the wall of the kitchen behind the stove. The family had the fire under control before the arrival of the pumper.

The most severe storm to date this season was on the 21st when a terrific thunder and hail storm struck the Tahoe City area, soaking the ground in moments and covering rooftops and other surfaces with a blanket of hail in less than ten minutes.

## Large Gathering For Sunday School Picnic

About 100 parents and children enjoyed the annual Sunday School picnic of the Community Methodist Church, held at Donner Lake yesterday. Swimming followed by a potluck lunch featured the day and much credit is due the chairmen in charge, Mrs. Harry Barnes and Mrs. Alice Petersen and their committees for the pleasant affair.

## New "Stop" Signs Up In Suburban Areas

Residents of Gateway and Meadow Park and along Donner Lake cruising out upon Highway 40 without stopping must develop a new system. New "Stop" signs at all the intersections have been installed along the highway and Superintendent T. T. Buell of the division of highways says that 35-mile speed limit signs for the popular area and the Gateway Shopping Center have been approved and are being installed.

## CAR OVERTURNS

Maggie Pomin McDonald, 33, Fowler, Calif., suffered injuries last week when the small car she was driving got out of control on Donner Summit and overturned. She was taken to Highland Hospital in Auburn. Patrolman William Gautsche made the investigation.

## Simons at Lake

Mr. and Mrs. Robert Simon of Sacramento visited local friends while spending the weekend at Lake Tahoe.

## Harms Brothers Low Bidders On Second Project

Harms Brothers of Sacramento who recently were awarded the contract for \$150,000 worth of work on Donner grade between the summit and Donner Lake, were low bidders on a project to repair 1.3 miles of flood damaged highway between here and Reno.

Bids were opened yesterday at Sacramento and Harms Brothers' offer was for \$290,976, according to the Capitol News Service.

The work involves several sections of Highway 40, including the portion near Mystic which was completely washed away and later temporarily repaired and the undercut at Floriston, as well as several shorter portions near Flycasters.

Harms Brothers moved equipment into the area yesterday and will start immediately on the Donner grade job.

## LIGHTNING STRIKES KEEP U.S.F.S. CREWS BUSY THREE DAYS

The three days' electric storms June 20, 21 and 22 kept the local Forest Service fire suppression crews on the jump, as they responded to about 40 lightning strikes on the Truckee district. Five of these resulted in minor fires, according to W. F. Curran, fire control assistant.

The largest burned a quarter of an acre one mile west of Old Camp 3 near Euer Valley. Another was just north of Gateway Park, a mile west of town. In Hoke Valley, near Dog Valley Summit on the Little Truckee, a pine measuring 92 inches through and about 65 feet high was fired and crews cut it down to prevent spread of the blaze. Another fire occurred a mile below Hirschdale, just north of Highway 40 and another in Monte Carlo Meadows, just east of Martis Valley. Minor damage to small trees and brush only resulted, due to prompt action by fire fighters. All fires are out.

Since June 4, there have been nine fires on the Truckee district, Curran said. Six were lightning caused, two started by smokers and one by faulty electric wiring.

## NEW FIRE TRUCK PROJECT GOAL OF LIONS AT TAHOE

KINGS BEACH—For their first major project, the Lake Tahoe Lions Club will sponsor a drive for a new fire truck for this area.

This was decided at their first meeting held last Thursday night at Hunters Inn with Harry Harrison presiding. John McFarland of Pomona was a visiting Lion.

The club meets each Thursday night at 8 o'clock at Hunters Inn.

## FISHING "NOT BAD" IN THIS DISTRICT, ANGLERS REPORT

Fishing in the Truckee River and adjacent streams is not bad.

To attest this statement, Oscar Schumacher Monday caught his limit in ten minutes in the Truckee River east of here, when he hooked two German browns, one weighing nearly eight pounds, and the other close to six pounds.

Ray Scott and Charles Warner of Tahoe took nice limits out of Meeks Creek at Tahoe Sunday and Clarence Osburn, Cecil Clepper and Slim Ellert have all been doing better than average in the various streams and lakes in the area. Claude Ray, who concentrates on Donner Lake, manages to snare big ones each time he goes out.

Ellert reported catching a limit of kokanee below Truckee two weeks ago, but since then has hooked only rainbows, the kokanee evidently migrating to safer territory.

## 12 Years Old

David Eaton was 12 years old Friday, June 22, enjoying the occasion at the home of his parents, Mr. and Mrs. Harry Eaton.

## Birthday Saturday

Marianne, daughter of Mr. and Mrs. Kenneth Faulkner, celebrated her eighth birthday on Saturday, June 23. She recently had a tonsil operation.

## SUPPORT YOUR LOCAL CANCER CRUSADE!

## Baby Drowns In Kingvale Mishap; Rites Held Here

Artificial Respiration Futile  
As Tot Is Pronounced  
Dead on Arrival

Funeral services for Charlien Rodoni, 18-month-old step-daughter and daughter of Mr. and Mrs. George Marshall of Kingvale Park, were held here the morning at 10:30 o'clock at the Truckee Colonial Mortuary and interment was in the Truckee cemetery.

The little girl was drowned on Tuesday morning in the Yuba River just back of her home at the Kingvale garage and store. She apparently wandered from the rear of the house and was not immediately noticed by her mother. As soon as Mrs. Marshall discovered the child missing a few minutes later, she started a frantic search which ended 30 minutes later with the discovery of the body in eight feet of water.

Artificial respiration failed to show results and the child was rushed to Dr. Rene Modglin at Truckee, but was pronounced dead on arrival.

Deputy Coroner N. F. Dolley said the child was not in the water more than 30 minutes. The step-father works for the Donner Trail Lumber Company here and the family had been at Kingvale only for a few months, he was advised.

Father Patrick Coffey officiated at the rites for the child. Three other children, Lennie, 13, Brenda, 9, and Susan, 3, survive.

## TRUCK DRIVER IS INJURED IN CRASH ON "89"

Lawrence Hendrix, 49, Reno truck driver employed by George Miller, suffered severe head injuries Monday evening when a large semi-truck and trailer got out of control on Highway 89 two and a half miles north of Tahoe City and plunged off the grade.

Hendrix was thrown clear of the cab, which was badly wrecked. He was brought to Truckee by Mr. and Mrs. George Hucker of Alta, who were in the first car to reach the scene, and was later taken to a Reno hospital.

State Patrolman William Gautsche issued a citation charging Hendrix with driving without due caution for the condition of the highway, which was wet because of a brief shower at the time.

## Colin Campbell Upped To Lieutenant Colonel

Colin C. Campbell, widely known Truckee man who has served with the army since the start of World War II, has been promoted from the rank of major to lieutenant colonel, according to word received from Dallas, Texas, where the colonel is now stationed.

## Work Is Started On New School Gym

While work progresses rapidly on the new Tahoe Truckee High School plant west of here, the first steel for the adjacent gymnasium was put into position this week.

School officials are still hopeful that the work on the main building will be far enough advanced to permit the occupancy this fall.

## Mrs. Smith 50 Years Member of Rebekah

Naomi Rebekah Lodge No. 2 held a regular meeting last night and Mrs. Dan Smith was honored as a 50 year member of the lodge. Delicious refreshments were served by Gwen Hocker and Alice McGee during a social hour.

Plans were completed for a banquet to honor the district deputy president at Donner Summit Lodge and those wishing to attend may contact Mrs. R. P. Bick.

## Lakes Near Tahoe Yield Good Catches

Fishing at Miller Lake and Richardson Lake, between Lake Tahoe and Rubicon River, is excellent, according to Captain Bill LaMarr of the fish and game patrol. These two lakes were recently treated to remove rough fish and LaMarr says that any found taking minnows or other rough fish into them will be prosecuted to the full extent of the law.

## Drunk Driver Pays \$200 In Local Justice Court

M. J. Newton, 60, Weimar cook, paid a fine of \$200 to Justice of the Peace Posten Wilson Monday after appearing in court on a drunk driving charge. He was arrested Saturday by State Patrolman Roy Stallard.

## North Tahoe

by THELMA BURROUGHS  
COMMUNITY CLUB

Carpenters' Hall was well filled at the meeting of the North Tahoe Community Club where a discussion of utilities, zoning and taxes, and other matters effecting the community featured the session.

The meeting was marked with such enthusiasm that 15 or 20 new members were enlisted to join in the various campaigns.

John L. Dixon, president, was in charge. A nominating committee was appointed and new officers will be nominated at the next meeting.

### BIG DOINGS SUNDAY

The Sportsman's Port is staging a big show for the first arrival of

the scheduled trip of the cruiser, Tahoe, due to dock there Sunday morning at 10. Everyone is invited to come out for the occasion.

### VISIT KIN

Barbara Jean Knight of Mountain View is visiting her grandparents, Mr. and Mrs. Snowden Burch.

### RETURN HOME

Mrs. Marshall Smith and daughter Nancy have returned to their Oakland home after spending the past three months with Mr. and Mrs. P. M. Burroughs at The Burroughs.

### FROM SAN JOSE

Betty and Patsy Meisenheimer have arrived from San Jose for the summer. Their mother, Mrs. George Meisenheimer, remained at San Jose where she is employed.

### CHURCH SCHOOL

Starting Sunday, July 1, church school will be held at the open air chapel, starting at 10 o'clock. Church services follow at 11 with Rev. A. A. Catmichel preaching. Parents are asked to bring their children.

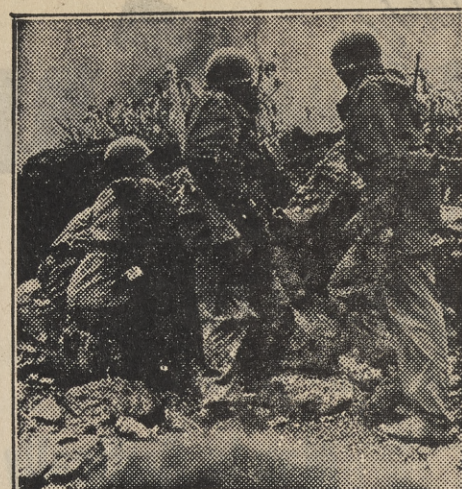

### Gov. Warren to Preside At Defense Meet

SACRAMENTO —(C. N. S.)— Defense plans of eight western states, Alaska, Hawaii and Canada will be coordinated at meeting in San Francisco June 29 which will be presided over by Governor Earl Warren. The conference will be held in the Mark Hopkins Hotel.

Prior to the meeting, a gathering of members of the far western association of civil defense directors will be held June 28 when state civil defense problems will be discussed.

Visiting governors are scheduled to address the session on Friday.

**CLOSE CALL**—This is a battle-line photograph taken during recent fighting in Korea. These three infantrymen watch the smoke rise from a mortar shell which exploded near them on the front near the 38th parallel. In resisting the long-heralded Communist "spring offensive," U. N. troops took every advantage of the rough terrain to protect themselves from the fury of fanatical attack, and at the same time inflict the greatest possible damage to the columns of the enemy. The result was that attackers suffered extremely heavy casualties.

Dept. of Defense Photo

advancing Reds who purchased dearly with dead and wounded every inch of ground they gained. American lines here were shielded by miles of barbed wire.

### SOME SOUND ADVICE ON FOURTH OF JULY MOTORING

It is but a short time now until the Fourth of July will be here again and parades and picnics will be pretty much the order of the day. People all over the country will be celebrating in their various ways and the family car will be coming in for some plain and fancy driving. One of the few unfortunate things about all this, points out the National Automobile Club, is that a great number of people will be injured or killed in traffic accidents along the way.

You can do something to avoid becoming involved in these accidents if you see to it that your car is in good mechanical condition before taking off on any holiday trip. No man or woman can drive safely in a car that is not mechanically sound and no car is mechanically sound if its tires are worn dangerously thin, its brakes just don't stop the car without a great deal of coasting, its steering mechanism has some hidden flaws, or its mechanical parts are badly worn or weak. Check on these things.

See that your courtesy is in good condition too. When you're out on the road during a busy holiday it is especially important that you be more than ready to enter into that cooperative spirit of give and take that saves nerve strain and fenders. Be patient when trying to get into a line of traffic on a main highway. Wait for that ample opening. And when you come to an intersection, don't insist blindly upon your right of way. Be ready to yield your right of way if by doing so you will ease the flow of traffic or avoid an accident. Always keep the other fellow in mind and do what you can to help him to drive safely too.

And above all, drive safely. Don't

### Wilson's Welcome Guests At Lake Forest Home

TAHOE CITY—Recent visitors at the Ivan Wilson home in Lake Forest were Mrs. Wilson's uncle and aunt, Mr. and Mrs. Watson Cross of Long Beach, who enjoyed a week at Tahoe in the Emerald Bay area. Douglas Wilson, son of the Ivan Wilsons, surprised the family with a beautiful 28-inch, seven pound mackinaw he caught off Chambers' Lodge wharf, so fish dinner was an extra treat for the visitors.

Mrs. Wilson was thrilled recently when a former pupil she taught in Leon, Iowa, called her long distance and enjoyed a chat. She was Mrs. Doris Gunter and the two have not seen each other for years.

### Louisiana

Louisiana's lowest land is below sea level and lower than any spot in the nation except Death Valley.

try to pass that car ahead when passing seems impossible, when an intersection, a sharp curve, or a crest of a hill ahead shuts off your view. Don't try to get from here to there in record-breaking time. Speed may be spectacular and thrilling in its way but it is also a swift and brutal killer. No day in the year is a good day to take these long chances that so often lead to a short life.

Sound cars, some simple courtesy, a lot of sanity in driving, is about all that it will take to reduce our traffic accident toll to a healthy minimum on this coming Fourth of July.

## My Place In the Sun

by DOUG BARRETT

Note Phil Ladd back in town from Ross where he's been attending Marin College.....will be at the Don Sites home for the summer.....Jay Rabin, in his gob garb, having a hard time getting down the street.....too many friends happy to see him on his return from Korea.....Frank Kearney, going thru some old files, came up with a bunch of receipts from the Truckee Semi-Weekly Republican, predecessor to the Sierra Sun.....they cover a period from April, 1909, to July, 1912.....the first was signed by Alexander Crossan, two by W. H. M. Smith and two by M. R. Hubbard.....the plant was then located at the corner of Bridge and Sierra Streets, about where Coffey's Garage now holds forth.....The Truckee yard of the Truckee-Tahoe Lumber Company had added a new line of "sophisticated" glassware.....and Ruth Rockholm, the bookkeeper, is doubling as saleswoman....."Men at work" putting new asphalt on the roof of the Telephone Building.....Joan Owens, up from Sacramento vacationing at Lake Tahoe, picking out a greeting card at Loynd's Drug.....reports her folks, Mr. and Mrs. Jim Owens, formerly of Truckee,

### OUR COUNTY FAIR TO BE BIGGER THAN EVER FOR 1951

GRASS VALLEY—Premium books are now being distributed to hundreds of exhibitors who will participate in the 1951 Nevada County Fair to be held September 13, 14, 15, 16 at the fair grounds acclaimed as "the most beautiful in the state".

Secretary Edith Scott states that every effort is being made to increase the entries in all departments. Premium book lists senior departments in beef cattle, dairy cattle, community booths, agriculture, floriculture, home economics, ceramics, photography, bees, honey, lumber and poultry. In the 4-H division are departments for beef cattle, dairy cattle, swine, sheep, agriculture, home economics, poultry, rabbits, feature booths and showmanship.

Manager Loyce Freeman indicates a much broader program this year and will include such features as a horse show, dog show, live stage entertainment and the usual carnival features.

Several new features will be added, the details of which are now being outlined and will be announced shortly.

FIRE WOOD FOR SALE

# SUMMIT SCENE

by FRAN COUILLARD

We've just finished another week end which is incomparable with the same weekend last year. Incomparable because it was so much greater. A good sign. We have a very small place on the highway—a place that is almost hidden—yet our small business showed a marked increase, due to the great number of motor tourists that inhabited the many sleeping places in the area from campground to cabin to hotel accommo-

dation.

We carry on in the same vein as last week. A community—great or small—has some commodity to sell. Chambers of commerce of large cities advocate the giving of acres of ground to bring a new manufacturer into the area. Small cities hire experts to come into their midst to develop some natural or artificial resource for the same purpose. We, in this area, have one thing to sell—RECREATION. We capitalize the word so that it will become emblazoned in your minds. Small outfits come into this won-

derland in the summer to procure timber. Other groups cut trees in the autumn for Christmas trees. We who have lived in the area for years know that the output of fir squeezing itself thru granite formation cannot last forever and ultimately we still must exist on the recreationally minded. Bert Bacon, a newcomer at Cisco, came to us with this remark: "What must we do to stock our streams?" Travelers coming thru who happen to stop at our little place exclaim, "This is the most beautiful country I have ever seen! Haven't you some literature—a map—something we can take back as a souvenir?" So we sell them a nicker postal card. Was there a single place where they could get information? We mean a spot where they could stop and get hotel information, tourist camp information, road information, fishing information. No! And yet we're supposed to be selling recreation.

We still say that we'll put up our small pittance to any organization or group who will give the traveler the "glad hand" that should be accorded to the traveler who enters the "Gate", second to none into northern California.

With that off our chest we'll talk about the people who feel as we do—the people who make up an area and whose comings and goings interest their neighbors.

Starting at Cisco Grove we learn that Tom and Betty Vincencio, owners of the Sierra Gift Shop there, branch out and open another at Monte Vista.

At Donner Lake Lodge, Hap Warneke, in a period of less than a week, was everything from a midwife to the equivalent of an FBI agent. Came a couple who pounded on the door at 4 a.m.

Hap ended up with said couple in a Reno hospital—and he just barely made it. After slightly catching up on some sleep, Hap helped net a nest of stolen guns and stuff that has already made the headlines. With all that, Hap merely thinks about his big wing ding at Donner Lake on July 15—the outboard motor races. Meet you there. Starts at noon so this is family picnic day.

Portia Wagonet and Ruth Melnicoe, school teachers from the East Bay, spend a portion of their summers and winters in the Wagonet cabin on Castle Creek. Last summer the two went on a European jaunt for three months. Both interested in international relations and art, they decided to take their trip the hard way—without the benefit of tour experts. Ruth had a faint memory of one foreign language, a high school requisite. Portia had none. With camera, sketch pad and budget, they left last year for Europe. Last week end we benefitted from their wonderful trip, Art, my

## All You-all

Wait a Minute!

COMBATIVE COMBAT CARTOONS—Drawing funny pictures in a slimy foxhole up front where the bullets sing and the shells whine has a zest all its own. It is a lot different from "art as usual" in a studio or in the corner of a busy newsroom. Floyd A. Snoderly, who is giving these impressions of the U. S. Marines at war, has been covering the advance of the First Marine Division since shortly after the Inchon invasion. He has been a frequent cartoon contributor to the Pacific edition of "Stars and Stripes." S/Sgt. Snoderly was a member of the original staff of the weekly Parris Island "Boot" in World War II. He went to Guam and subsequently did several comic strips for Marine field publications. Before the Korean invasion he was art director of an advertising agency in Knoxville, Tenn., where his wife and nine-year-old son, Gary, now reside.

## Sex Bro'r Fox

Red Flannels?

who got away before we could get a complete list. Mr. and Mrs. Milt Hogle, with Milt's sister, Lucille; George Harris and Mrs. Ewing, of that famous photography firm of Harris and Ewing; several from Grass Valley and Nevada City; Helen and Ernie Johnson and friends from Roseville, truly a gala night. Our guests were Western Union Supervisor Frank Johnson and his wife. Practically all of the Kingvale colony was present. Other DSL notes: Ace photographer McBride on deck at this time. Helen and Helmer Bergman, formerly of the place and now of Bakersfield, spending a few days vacation there right now. Bernice Batterson pounding away at her book, shortly to be released. Betty and Bud Horak dashing down to Rainbow Tavern for their 12th anniversary dinner and, incidentally, party.

We stop our daily routine to have a few moments chit-chat with Muriel Kaminsky, an old friend and wife of Sacramento's C.O.P., while she prepares to go on a picnic. Paul Norbee brings up wife and son, Bernice and Danny, for a summer's vacation, whilst he labors in the timber.

From Beacon Hill we hear noises wafted from east of our place; kids taking their Red Cross swimming lessons in the Beacon Hill pool. Jeannie and Elmo Mori-ano just return from a trip to S.F.

Bill Rutherford announces that reservations are really coming in for his Ice Lakes opening July 1. Both barbecue reservations and mabin. The Panorama Room is ready to go too and if you want a treat in something really something, get out there at sunset. Wild ducks flying across a truly Sierra skyline. It's lovely.

We slipped into Soda Springs Hotel the other day. Again we wish we could tell you what's happening there. An old mountain landmark still retains all its old charm but with its modern and lovely appointments, its soft elegance, its nuance of delicate colors, it's simply breathtaking to those who've frequented this first of mountain resorts to realize that such a

change has taken place. We haven't the date of opening yet but from what we have seen, I should not be too long before the gates are flung open to the public.

Another "grand opening" should take place at Donner Ski Ranch, or something of the sort. Jack and Pat Woodward perch on their hill at the Summit while all kinds of new openings gape beneath them as the rock work construction goes on in this place. Don't know what's cooking yet.

The Wm. Parrots return from Los Angeles. Parley Merrill goes

on a fishing vacation. The Harry Pratts return from Canada. The simply gorgeous arrangement of gladiolas on a very prominent table last Saturday night by Roy Beckwith.

Employment High  
SACRAMENTO —(C. N. S.)—Analysis of California's labor market by the state department of employment today reveals that more people are working in this state than at any time in the history of the state.

**GOLFERS FROM AFAR ATTRACTED TO TAHOE TOURNAMENT**

Bob (Stub) Taylor, high school teacher from Henderson, Nev., took the second annual Lake Tahoe Golf Tournament over the weekend. His 70 and 65 strokes rounds, totalling 135, set a new record for the classic, sponsored by Cal-Neva Lodge, Brockway Hotel, Tahoe Tavern and Tahoe City golf links.

Entries in the matches played 18 holes each at the Brockway and Tahoe City courses.

Following Taylor in the Class A amateurs were Dick Meyers, Los Angeles, 140; Jack Finger, San Francisco, 142; Kris Kringle, Sacramento, and Bob Cardinal, San Francisco city champion, 143.

Low net was taken by Pete Kokon, North Hollywood sports writer (10 handicap) for 134. He was tied by R. G. Wallis, Sacramento, 144 (10), 134; and Mel Martin, 144 (10), 134. Next came Myron Freedman, Newark, N. J., 145 (10), 135.

Class B went to Jesse Thomsen, Truckee, with 147 gross, while Ernie Heckshere led in low net with 152 (24), 128.

Phil Harris, "star of stage, screen and radio", had a very creditable 79-82 for the tourney and singer Gordon McRae was among the low scorers with 72-80. Peter Lind Hays, radio and night club comedian, had 88 for one round. Nelson Cullenward, San Francisco sports writer and northern California southpaw champion, carded 70 and 82 for 152.

Bob Lazare of Bakerfield was top money pro in the tourney, taking \$150 for his 62-74 for 136. Tied for second, and \$50 each, were Reno's Peter Marich with 67-71 (138) and Morgan Fottrell, Modesto, 64-74 (138). Fourth, winning \$50, was Orr DeLuca, Tahoe City, 74-67 (141). Winning \$25 each were Al King, Reno, 142; Bus Pendleton, Sacramento, Carl Wheeler, Brockway and Angelo

**BURGLARS MAKE OFF WITH NEAR \$3000 IN SPORTING GEAR**

Golf equipment, cigars, candy and liquor valued at between \$2000 and \$3000 were stolen from the Tahoe City golf club some time after 11 p.m. Sunday, according to Constable Harry Johanson.

The officer listed the missing sports equipment at 24 dozen golf balls, five leather bags, 36 sets of assorted clubs, a large number of white golf caps, plaid golf caps and ladies' white golf socks.

Entry to the clubhouse was made by breaking a door pane, reaching in and tripping the lock. All the equipment taken was brand new, the burglars passing up used goods and also leaving several cases of whiskey untouched.

Carl Becholdt Jr. is owner of the club.

Subscribe to the Sierra Sun!

Bonino, Tahoe City, 144 each.

Othe pro scores were Pat Martin, Palm Springs, 146; Mert Smith, Reno, 149; Ed Jones, Reno, 150; Ken Thompson, San Diego, 151; Gibby Williams, Bijou, and Alex Tonoff, Woodland Hills, 153 each; Al Gardello, Palm Springs, and Jim Burney, Los Angeles, 160 each.

Miss Reva Separ, San Francisco, had low gross in the women's division, 83, 79 for 162, followed by Mrs. Alec Cushing, Squaw Valley, 87-80, 167. Low net was held by Sharon Johnson, Bijou, 192 (60), 132; followed by Mrs. George Frazier, 201 50) 151.

Preceding the tournament was a sweepstakes tourney on Friday, entered by 50 golfers and led by Bob Frazier, San Francisco, with low gross of 69. Low net scorer was Gene Rogers, San Francisco, 75 (11), 64; with a three-way tie for second at 65 by Herb Buchanan, Carson City, 73 (8); Steve Cedzo, Las Vegas, 73 (8); Fred Crebaum, Santa Barbara, 71 (6).

**FLORISTON**

by C. A. FELESINA  
Miss Lydia Craig has gone to Pasadena to visit her grandparents Mr. and Mrs. Virgil Simpson.

Mr. and Mrs. J. R. Dean of Reno visited at Julius Smiths home over the weekend.

Mrs. Marjorie D. Thies of San Francisco is spending some time with her brother-in-law and sister, Mr. and Mrs. Lester Felesina.

Mr. and Mrs. M. R. Laking and daughters, Arline and Susan, of Long Beach were weekend visitors at the home of Mrs. Laking's parents, Mr. and Mrs. Frank Seymour. On their departure, they were accompanied by Mrs. Seymour who will spend a week or two with them.

Weekend visitors at the Lester Felesina home were Mr. and Mrs. August Rowher and grandson, Howard, and Mr. and Mrs. Lloyd Phenger, all of Sparks.

**Money Maker**

The U. S. Mint at San Francisco produced \$1,128,700 worth of five and one cent pieces in 1949.

**Tahoe Hatchery Workers Rescue Alpine Fish**

A crew from the Tahoe state fish hatchery completed the rescue of 400 cut-throat trout endangered by low waters in a creek at Heenan Lake, Alpine County.

Allan Pollitt, in charge of the rescue operation, reported that the average weight of each fish was 1 1/4 pounds. About two-thirds were females which had not yet spawned, he said.

**Notice to Taxpayers**

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Nevada, State of California, will sit as a BOARD OF EQUALIZATION on Monday, July 2nd, Monday, July 9th, and Monday, July 16th, 1951, for the purpose of equalizing the assessment rolls of the County of Nevada.

NOTICE IS HEREBY FURTHER GIVEN that any taxpayer of said County of Nevada who desires to file any objection to the assessment made by the County Assessor, may appear before said Board of Supervisors on the above dates between the hours of 10 o'clock A. M. and 5 o'clock P. M. and present their objections, or said assessment will remain the same as set out in full on the rolls of Nevada County as prepared by said County Assessor.

R. E. DEEBLE, je28,jy5,12  
County Clerk and Ex-Officio Clerk of said Board of Supervisors.

**NOTICE TO BIDDERS**

Notice is hereby given that sealed bids will be received and opened by the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than, 8:00 p.m. on Tuesday, July 10, 1951, for any or all of the following:

1. Prepare for moving, move, and place properly on new foundations five (5) dwellings.
2. Construct necessary footing and foundations for the five (5) dwellings at the new site.

Specifications for the above are on file at the Office of the Superintendent of Schools at Truckee, California.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability and fitness of the services, materials, and labor offered.

No bid will be considered unless it is made on a form provided by the School District and accompanied by a certified check, cashier's check, or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him on conformity with the contract documents and shall provide the surety bond required within 5 days after notification of the award of the contract to the bidders.

The successful bidder will be required to furnish a labor and material bond in an amount equal to (50%) of the contract price, and a faithful performance bond in an amount equal to (100%) of the contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

Dated this 20th day of June, 1951.  
W. A. LOYND, President of the Governing Board of the Tahoe Truckee Unified School District.  
Je21,28,jy5

# BOY SCOUT CAMP NEAR SUMMIT OPENING SUNDAY

Scouts from Roseville, Lincoln, Auburn, Newcastle, Weimar, Grass Valley and Nevada City are among the first to sign up to attend Camp Pahatsi, summer camp of the Tahoe Area Council, Boy Scouts of America, near Soda Springs, it was announced by Camp Director Raymond J. Ewan.

With over 50 Scouts already registered to attend camp, an active season is anticipated. The first session will start Sunday, July 1. Scout leaders who will serve on the camp staff for the first week include Willard Rose and Jack Fur-neaux, Grass Valley; Dr. Mitchell Lewis and Ed Cowperthwaite of

Roseville.

Field Executive Del Raby will serve as assistant director and also have supervision of the waterfront.

Other leaders who will be present during the camp season which runs from July 1 to August 5 are Grant Ursenbach, J. M. Warner and Fred Knudsen, Auburn; Henry Loyd, Weimar; William Bottell, Truckee; Angus James, Downieville; Phil Leak, Louis Couverette and Robert McCarthy, Roseville. Mrs. Ray Weller of Auburn will conduct handicraft and nature study activities.

Ewan called attention to the fact that a minimum of 70 Scouts a week was all that would be accepted and urged all Scouts desiring to attend the first week session to get their applications into the Scout office at Auburn at once.

# COUNTY OFFICIALS ON TOUR OF LAKE STUDYING PROBLEMS

TAHOE CITY—Supervisors of Placer County accompanied the county planning commission on a two-day visit to the Lake Tahoe area, ending Friday with a brief meeting in the morning and rides of the Squaw Valley sky chair in the afternoon. They were overnight guests at Homewood Hotel.

Edward A. Gray of Lincoln, chairman of the group, presided at the various meetings. The first session was in Tahoe Community Hall last Thursday morning. In the afternoon they visited Kings Beach to inspect roads which show on maps but have grown over with brush and are inaccessible. Residents have complained that "No Trespass" signs have been put up and they are unable to use the beaches and lakeshore in some sections. It was decided that, following a new survey to make certain of property lines, Seeline Street, National Park Avenue, Beach Avenue and Coon Street would be made accessible to pedestrians only to the lakeshore.

## Would Test Meander

District Attorney Al Broyer was present to offer assistance on legal questions and a lengthy discussion took place regarding the legality of the lake's meander line. This question, in controversy for many years, has never been settled. Many local residents believe a test case should be taken to the state supreme court for final decision.

The officials heard a request from the residents of the area for a rezoning of the entire northern section of the lake which would evolve a master plan showing all recent changes in residential and business areas and bringing the maps up to date. A. J. Ketman, north Tahoe realtor, made this proposal. Placer County's new road commissioner, John Melgord, was on hand to answer questions.

## Discuss Cut-Off

The group heard the plea of John M. Dixon, president of the North Tahoe Community Club, that the county set aside enough money to make extensive improvements on the Brockway Cut-Off between the Brockway golf links and Truckee. This was the only road open to Truckee for north end residents during the stormy period last winter when Highway 89 was rendered impassable by flood conditions.

The supervisors could not promise a large expenditure but did say work would be done on the cut-off this summer.

You gain when you patronize Sierra Sun advertisers.

# Gen. Van Fleet, "Soldier's Soldier" Predicts Victory in New Korean Battle

Lieut. Gen. James A. Van Fleet, commanding the Eighth Army in Korea, has expressed confidence in the ultimate victory of his Allied troops now meeting the shock of a great Communist offensive.

In his order of the day he praised "the magnificent support of our United Nations Air and Navy forces," and continued: "This renewed battle is for the preservation of life, liberty and the right to the pursuit of happiness of all free men. . . . They are the first rights which communism denies its own people."

"Our strength rests on the solid foundation of belief in God and the rights of man, rather than on the will of dictators imposed through cruelty and the complete disregard of human life."

This striking photograph of Gen. Van Fleet was made when he waved farewell as he embarked in his plane at Washington, D. C., to take command in the field. He is a native of New Jersey, a graduate of West Point in 1915, and is a "soldier's soldier," serving on the Mexican Border, 1916, in France in World War I, and through the thickest of the fighting in Europe in World War II. He was three times wounded. In 1948-50 he rendered eminent service as director of the Joint U. S. Military and Advisory Planning Group in Greece. He was awarded the Distinguished Service Cross with two oak leaf clusters for extraordinary heroism in action, and other decorations.

GEN. VAN FLEET

# Placer Assessors Work in Tahoe Districts

Lloyd S. Geraldson, Placer County assessor, was a Lake Tahoe visitor last weekend, checking with the crew from his office currently engaged in the regular annual assessment in that area. The five men will be engaged for about 60 days in the work.

H. E. McDaniels, assistant assessor, is in charge of the work and is being assisted by Leo Mitchell, Chet Merz, Bob Williams and Gordon Cameron.

Geraldson emphasized that this is not a special assessment but simply an appraisal tour to cover new buildings, improvements, transfers and to keep the tax base rolls up to date and equalized as much as possible.

## CANCER FUND

Mrs. Marie Henry, chairman of the Cancer Fund drive in Tahoe City region, Monday reported \$280 had been collected in the area. At the end of this week she will collect all the cans which were placed in stores for donations.

# MAPES IS WINNER IN TWO-BOAT RACE AT CHAMBERS LODGE

CHAMBERS LODGE—Charles Mapes Jr. piloted his speedboat the Gloria M to a three lap race victory at Chambers Lodge last weekend with Eddie Sahati at the controls of the hitherto unbeaten C. S. Parky. Both craft rated 165 horsepower.

With the Reno hotel man when he won over the Lake Tahoe night club operator was Miss Gloria Mapes, in whose honor the winning boat was named.

Mapes gained his victory margin on the turns. Another race between the two boats may be run in late July or early August. The rivalry between the two brought out a large crowd of spectators to the shore to watch the race, which was not timed.

## Date Center

Date gardens of the Coachella Valley, Riverside County, supply more than nine-tenths of the United States commercial production of dates.

# PRIEST ARRIVING TO TAKE CHARGE OF NEW TAHOE PARISH

Rev. Patrick Lyons, assistant pastor of Saint James Catholic Church at Davis, has been appointed pastor of the new Lake Tahoe parish. He was slated to take over his duties at the lake this week. Father Lyons has been at Davis as assistant pastor since November, 1947.

The Lake Tahoe parish formerly was part of the Truckee and Placerville parishes. It is unofficially reported the bounds will extend from Stateline on the east to Bliss Park on the north and west to Kyburz on the south and west.

# Where Have You Been all its Life ?

THIS ad is addressed to the fellow known as "the man on the street."

From that vantage point, you must have noticed that a lot of folks are driving 1951 Buicks.

You must have noted that you can spot one of these beauties—by its sparkling forefront—its gleaming fender ports—(three for the SPECIAL and SUPER, four for the ROADMASTER)—and by its fluent grace of lines and contours.

You've probably noticed, also, that these Buicks give a good account of themselves in traffic—ease to a gentle stop—get away to a nimble start when the light says, "Go."

You may even have noticed that these cars have a level-gaited stride that traces, as we've said before, to the fact that each wheel rides beneath its own coil spring

But what we'd like to know is—when are you going to try one?

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

It's about time you climbed in the driver's seat.

It's about time that you sensed for yourself the thrill that comes from feeling your shoulders sink back in the cushions, when your toe gives the gas treadle a gentle nudge.

It's about time for you to be on the receiving end of those admiring glances which are the due of folks smart enough to pick the smart buy of the year.

What's holding you back? It can't be prices—for as you can see for yourself, you can own a SPECIAL for less than the price of some sixes—and SUPERS or ROADMASTERS are just as smart a buy in their fields.

So why not end the suspense? The welcome mat is out at our showrooms. We hope to greet you soon.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series.

## SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W  
Tahoe City, June 24th  
Dear Tahoeites

The big golfing tournament is over and the boys and their ladies are enjoying themselves tonight at Cal-Neva. It was a gala event and I watched them off and on from our porch and from my apartment. What a sight for a color camera—red shirts, green ties and sweaters and sox and bright caps and trousers. Against the green of the lawn it was surely eye-appealing. I learned too why the ladies stay coyly in the background, as a rule. Seems the boys become quite provoked when they miss an easy shot. Such expletives!

Big story of the day is the robbery last night of the club house at the Tahoe City golf course. Seems that some time after 11 p.m. some one broke into the building and helped themselves to between two and three thousand dollars worth

of new golfing equipment from the store and a quantity of liquor. Men employed on the golf course left around 11, after watering the greens for the next day, so the theft occurred some time after that hour. Seems Constable Harry Johnson is working with the Reno police on a hot lead, but nothing to report tonight.

Bud Scott's new cruiser Tahoe made its maiden voyage today, as far as Meeks Bay and back with a private party. The regular daily schedule for two trips daily will start Wednesday, June 27, according to Scott.

Henry's Garage had an odd experience last week when an out-of-state car drew in and the driver got out to talk with Al Henry Jr., chief mechanic. Said the gentleman, "We've heard that cars act up sorta different in this high altitude but somehow we can't figure out the reason why our radiator should get so all-fired hot! It never did before and we've been all over the country." "Well, sir," says our Al, "we'll look her over and see if we can find out." Which was what he did. And no matter

where the visitors might have gone, they would've had the same hot radiator trouble. A bird had built her nest just behind the radiator and when Al probed around, out fell the dead mother bird onto the ground. Any offspring had long since fled to healthier homes. Al removed the old nest and all marveled that a bird would have been able to make so many trips back and forth with material to construct a nest in such an inaccessible place.

Mrs. Bud Scott is one of the ladies who will model the summer numbers to be shown during the Women's Club of Tahoe luncheon at Homewood Hotel on July 2. Billie Bacon, manager of Dixon's of San Carlos at Homewood, will choose the gowns and select the models. Homewood Hotel resort is sponsoring the fashion show and it is reported Don Huff, popular manager and owner, will perform as emcee.

Chief Al Henry Jr. of the Tahoe City Volunteer Fire Department announces that cards are being printed which will be sent out to all residents of the immediate Tahoe City area. These will request a donation of at least \$3 from each family which will go toward a fund for the upkeep and maintenance of the community's new ambulance. The sum paid (and there is absolutely no objection to any one paying more) will entitle immediate members of the family to free rides in the ambulance, should the emergency arise. Insurance must be paid on the vehicle and there is need for new blankets, sheets and stretcher covers. Also

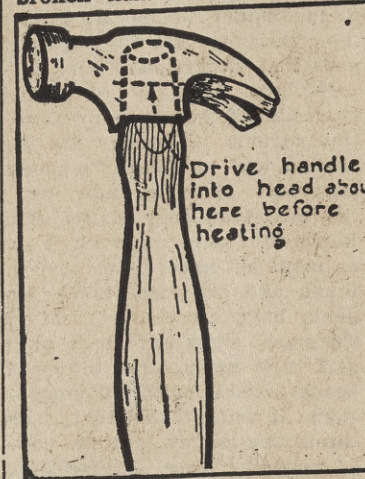

the Emerson resuscitator, which the fire department has taken over and will keep in good repair, must have funds with which tanks of oxygen can be purchased when needed. Those requiring the use of the resuscitator are expected to replace the oxygen used but this is not always done. Ambulance calls during the summer bring in a limited amount of extra cash but this is not sufficient to pay all the expenses incurred in keeping it equipped and paying for its maintenance. About 200 residents live within the area to be canvassed by the firemen and it is hoped that all will respond freely with their donation when called upon. If posting a check, it should be made out to the Tahoe City Ambulance Fund and mailed directly to Bill Becholdt, assistant fire chief. The local fire department is following a pattern of procedure now being used in many other rural communities.

Meetings of the fire department will be held hereafter the second Thursday of each month.

Squaw Valley has announced their summer opening date as June 29. Manager Alec Cushing reports the second annual summer ski derby on the slopes of Squaw Peak is slated for July 1. The Tahoe City Ambulance was called out around 3 a.m. Saturday, the call being answered by Al Henry Jr. and Harold Doig. Ronald Mohr, 15, Redwood City, has his left leg broken when the car he was riding in failed to make a curve about five miles north of Richardson's Camp. He jumped from the speeding vehicle which turned over several times and land-

**Replacing Broken Handle**  
This method of replacing a broken hammer handle is suggested by American Builder magazine.

gested by American Builder magazine. Buy a small bottle of glycerin. Soak the new handle in the solution for one week. After removing it from the solution, file the handle carefully with a rasp so it fits the head tightly. Drive the handle into the head as shown in the illustration. Heat the hammer in an oven until the head is hot, then drive the handle all the way in and wedge as usual.

## 15 DAY LIMITS ARE PLACED UPON TAHOE STATE PARKS

Fifteen-day camping limits have been established for the summer season at D. L. Bliss State Park and Tahoe State Park at Lake Tahoe by the state division of beaches and parks.

"Last summer many parks were overcrowded," states Newton B. Drury, chief of the division, "and camping limits enable more people to enjoy these outstanding natural areas of California." The two parks at Tahoe are among 22 having the 15-day limit. The rest of the 111 state park units have 30 day limits.

It was noted that a general informational park folder including a map and lists of features and facilities of the park units would be sent to anyone writing to the parks office at 1211 16th Street, Sacramento.

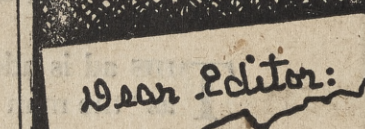

Over 29 million visitors were recorded and estimated in the 111 park units in California's state park system last year. This represents 20.1 per cent increase over the 1949 attendance. Over recent years the trend has been steadily upward and in all probability the summer of 1951 will be even greater.

The attendance in parks in this area last year was as follows: Donner Memorial State Park, 99,689; Tahoe State Park, 24,517; D. L. Bliss State Park, 43,279. Donner Memorial State Park is made up of 360 acres on the east end of Donner Lake, two miles west of Truckee on Highway 40. Tahoe State Park comprises 13.37 acres a quarter of a mile northeast of Tahoe City. D. L. Bliss Park contains 957 acres and is located in El Dorado County, 16 miles south of Tahoe City.

## ORDINANCE NO. 179

AN ORDINANCE REGULATING THE COMPENSATION OF ELECTED COUNTY AND TOWNSHIP OFFICERS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA.

The Board of Supervisors of the County of Nevada, State of California, do ordain as follows:

### SECTION 1

(A) The salaries and fees provided for in this ordinance shall be in full compensation for all services of every kind and description rendered by the officers named herein, either as officers or ex-officio officers, unless herein otherwise provided.

(B) All salaried officers, their deputies, assistants and employees of Nevada County, and the several townships thereof, shall charge and collect for the use of said county, account therefor and pay into the county treasury, in the manner and time provided by law, the fees now or hereafter allowed by law in all cases except where such fees, or a percentage thereof, be allowed such officers, and shall file a statement and affidavit as required by Sections 24353-24356 of the Government Code of the State of California.

(C) The salaries of all officers as provided for herein, shall be paid monthly out of the Salary Fund of the County of Nevada, on warrants, which it shall be the duty of the Auditor on the first day of each month, to draw upon the treasurer in favor of said officers for the amount of salary due as herein provided for the preceding month, unless otherwise provided by law.

### SECTION 2

#### THE COUNTY CLERK

The salary of the County Clerk shall be Three Thousand Four Hundred Twenty (\$3420.00) Dollars per annum. The County Clerk shall receive the sum of ten (10c) cents per name for each elector registered which amount shall be allowed by the Board of Supervisors and paid from the general fund of the County of Nevada.

### SECTION 3

#### THE SHERIFF

The salary of the Sheriff shall be Five Thousand (\$5000.00) Dollars per annum. The Sheriff shall also receive for his own use for service of all papers issued from Justice Courts, the same fees as are now or may be hereafter allowed by law to Constables for like service.

### SECTION 4

#### THE RECORDER

The salary of the Recorder shall be Four Thousand Two Hundred Twenty (\$4220.00) Dollars per annum.

### SECTION 5

#### THE TREASURER

The salary of the Treasurer shall be Two Thousand Eight Hundred Twenty-Five (\$2825.00) Dollars per annum. The Treasurer shall receive and retain for his own use the commission on all inheritance and transfer taxes collected by him as provided by Sections 14785, 14786 and 14797 of the Revenue and Taxation Code of the State of California.

### SECTION 6

#### THE TAX COLLECTOR

The salary of the Tax Collector shall be One Thousand Three Hundred Ninety-Five (\$1395.00) Dollars per annum.

### SECTION 7

#### THE ASSESSOR

1. The salary of the Assessor shall be Four Thousand Four Hundred Twenty (\$4420.00) Dollars per annum.  
2. The Assessor, his assistants and employees shall also be allowed their actual and necessary traveling and living expenses incurred in assessing real property throughout the County.

### SECTION 8

#### THE CORONER

The Coroner shall receive no salary from the County but shall receive for his own use and benefit such fees as are now or may be hereafter allowed by law.

### SECTION 9

#### THE PUBLIC ADMINISTRATOR

The salary of the Public Administrator shall be One Thousand One Hundred (\$1100.00) Dollars per annum.

### SECTION 10

#### THE SURVEYOR

The Surveyor shall receive the sum of Fifteen (\$15.00) Dollars per diem for all services performed by him by virtue of his office and his actual and necessary traveling expenses when performing official work in the field, such compensation and expenses to be allowed by and paid on the order of the Board of Supervisors.

### SECTION 11

#### TOWNSHIP OFFICERS

1. The salary of the Justice of the Peace of Nevada Judicial Township shall be Three Thousand (\$3000.00) Dollars per annum.  
The salary of the Constable of Nevada Judicial Township shall be One Thousand Five Hundred (\$1500.00) Dollars per annum.  
The salary of the Justice of the Peace of Grass Valley Judicial Township shall be Three Thousand (\$3000.00) Dollars per annum.  
The salary of the Constable of Grass Valley Judicial Township shall be One Thousand Five Hundred (\$1500.00) Dollars per annum.  
The salary of the Justice of the Peace of Meadow Lake Judicial Township shall be Three Thousand (\$3000.00) Dollars per annum.  
The salary of the Constable of Meadow Lake Judicial Township shall be Two Thousand (\$2000.00) Dollars per annum.  
2. Each of the Constables above mentioned, or any Constable elected or appointed in any Township of the County of Nevada shall receive for all services rendered by them in civil actions, for their own use and benefit, such fees as are now or may hereafter be allowed by law, and for all services rendered by them in criminal cases, they shall be allowed all actual and necessary expenses incurred in arresting and conveying prisoners to the county jail, which said expenses shall be audited and allowed by the Board of Supervisors and paid out of the General fund of the County of Nevada.

### SECTION 12

#### SEPARABILITY

If any sub-section, sentence, clause, phrase, or portion thereof, in this ordinance is for any reason held to be unconstitutional, or not applicable to the County of Nevada, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each subsection, section, sentence, clause, phrase, and each portion thereof irrespective of the fact any or more thereof be declared unconstitutional.

### SECTION 13

#### ORDINANCES REPEALED

Ordinance No. 158 adopted by the Board of Supervisors of Nevada County on June 5, 1947, Ordinance 160 adopted by the Board of Supervisors on September 12, 1947, and Ordinance No. 169 adopted by the Board of Supervisors on February 3, 1949, are hereby repealed.

### SECTION 14

#### EFFECTIVE DATE AND PUBLICATION

This Ordinance shall take effect 30 days after its adoption and shall be operative on and after August 1, 1951, and before the expiration of 15 days after its passage it shall be published once with the names of the members voting for or against the same in THE SIERRA SUN, a newspaper of general circulation published in the County of Nevada.

ADOPTED AND PASSED by the Board of Supervisors of the County of Nevada, State of California, on the 25th day of June, 1951, by the following vote:  
AYES: Supervisors C. J. Tobiasen, Frank J. Rowe, J. C. Coughlan, Guy N. Robinson, H. G. Loehr.  
NOES: None.  
ABSENT: None.

H. G. LOEHR

Chairman of the Board of Supervisors of the County of Nevada, State of California

Attest:  
R. E. DEEBLE  
Clerk of the Board of Supervisors.

(SUPPLEMENTAL)  
PROCEEDINGS OF THE BOARD  
OF SUPERVISORS FOR THE  
MONTH OF JUNE, 1951

June 21, 1951  
The meeting of the Board of Supervisors convened at 10 o'clock A. M. pursuant to adjournment. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all the members were noted present. The minutes of June 5th and 7th were read, duly corrected, and approved as corrected.

On motion duly made, seconded, and carried, it is ordered that the sum of \$470.67 be transferred from the unbudgeted reserve to the Reform Schools budget, and the further sum of \$515.38 transferred into the Care & Examination of the Insane Budget.

The Board extended the leave of the County Service Officer from June 30th, 1951, to and including December 31, 1951.

A petition signed by a number of residents of the Brock and Michell Tracts requesting inclusion in the Nevada City Unified School District was referred to the County Superintendent of Schools for appropriate action.

The consideration of applicants for the position of 2nd Assistant County Service Officer was next brought up. The Clerk read the applications of Howard L. Evans, Mrs. Norma DePauli, Mrs. Nelda Self, Irvin A. Hart, Joseph E. Day, Katherine H. Henrikson, Edward Albert Taylor, and Ernest Atkinson. After hearing all names read, it was decided to postpone action until the afternoon session.

The Board unanimously voted to retain the Nevada Township Justice's Court along with that of Grass Valley and Truckee.

The Board voted the sum of \$1000.00 to be placed in the 1951-52 budget to pay Attorneys appointed to defend indigent persons charged with crime and adopted Ordinance No. 178.

The Board voted to set the salary of the Agricultural Commissioner on the 4th step of the salary range which is \$458.00 per month.

The board ordered the transfer of \$1000.00 from the County Hospital salary and wages budget to the Hospital capital outlay budget; and the sum of \$2088.18 from the salary and wages budget to the maintenance and operation budget. Adjourned for lunch and returned at 2 o'clock P. M. and proceeded with the selection of 2nd assistant County Service Officer. No person was elected on the first ballot and on the second ballot Joseph E. Day received 1 vote and Mrs. Norma DePauli received 4 votes. The Chairman declared Mrs. DePauli duly selected and appointed.

Miss Katie Nelson, business representative of the Hospital Workers Local No. 123 appeared briefly before the Board and expressed her disappointment over some of the salary schedules adopted by the Board, and expressed a wish that at some near future date the Board would recognize the Union.

Judge James Snell appeared before the Board and stated that he was of the opinion that the Clerk of his Court was inadequately paid and that he would like to see a sufficient salary set so that the person appointed by the County Clerk would remain, thus eliminating the necessity of training new men and cutting down the efficient operation of the Court. No action was taken at this meeting.

The Board discussed the salaries of the Road Department and adopted the following schedules for the fiscal year 1951-52:

Foremen will receive the sum of \$1.70 per hour or \$13.60 per 8 hour day; D-8 Operators will receive \$1.95 or \$15.60 per 8 hour day; Equipment Operators will receive \$1.57 per hour or \$12.56 per 8 hour day; and laborers \$1.32 per hour or \$10.56 per 8 hour day.

The Board discussed the salaries of the Justice of the Peace of the three judicial townships, but postponed final action until a later meeting.

The hour of recess having arrived, the Board adjourned until June 25th, 1951, at 10 o'clock A.M.

June 25th, 1951

The meeting of the Board of Supervisors convened at 10 o'clock A. M. The meeting was called to order by Chairman H. G. Loehr, and, upon roll call, all the members were noted present. The minutes of June 21st were adopted as read by the Clerk.

The Board fixed the Salary of the County Trapper at \$180.00 per month, plus \$70.00 allowed for the use of his car. The Chairman was authorized to execute an agreement to this effect with the U. S. Department of the Interior.

The Board fixed the salaries of the Justices of the Peace in the three Judicial Townships at \$3000.00 per year.

The Board then proceeded to listen to the reading of the Ordinance fixing the salaries of elected County and Township Officers, approved the same, and unanimously adopted Ordinance No. 179.

The Board ordered the sum of \$1134.50 transferred from the Special Road Improvement Fund to the General Road Fund.

The Board ordered the sum of \$34,953.37 (In Lieu Tax) transferred from the General Fund to

Cal-Neva Woman Hurt  
in Reno Crash

Lorraine Dixon, Cal-Neva, Lake Tahoe, was bruised when the car in which she was riding collided with another vehicle in Reno Sunday evening. She was taken to a hospital by police car and released after treatment.

Miss Dixon was a passenger in the vehicle driven by Francis Pomette of Reno when it collided with a car operated by Michael Brown, also of Reno.

ADVERTISE

the Special Road Improvement Fund.

The Board unanimously agreed to put 50% of the In Lieu Taxes in the Special Road Improvement Fund and 50% in the General Fund during the fiscal year 1951-52, instead of using all of this money for the roads.

The Board then called in the Road Commissioner and his Clerk and proceeded to discuss the budget of the Road Department for the coming fiscal year. The hour of recess having arrived, the Board adjourned until June 29th, 1951.

R. E. DEEBLE  
County Clerk and Ex-Officio  
Clerk of the Board of  
Supervisors.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received and opened by the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than, 8:00 p.m. on Friday, July 13, 1951, for the purchase of school shop equipment.

Specifications for the above are on file at the Office of the Superintendent of Schools at Truckee, California.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability and fitness of the services, materials and labor offered.

No bid will be considered unless it is made on a form provided by the School District and accompanied by a certified check, cashier's check, or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond shall be given as a guarantee that the successful bidder shall guarantee faithful performance of the contract. Bidders are required to submit complete specifications for any and all items for which bids are offered.

Dated this 27th day of June, 1951.

W. A. LOYND, President of the  
Governing Board of the Tahoe-Truckee Unified School District.

TWEED WEAVER, DOG  
RACER TO SHOW  
AT HOBBY FESTIVAL

One of the really outstanding hobby exhibits planned for the AAUW Hobby Festival at Tahoe City July 20, 21 and 22 will be a weaving demonstration by Ruth Hillger of San Francisco.

Besides exhibiting a wide selection of her personally designed tweeds and other fine woven yardage, Mrs. Hillger will demonstrate the technique of weaving on her won four harness hand loom. Mrs. Hillger's "weaving clothes" are a pair of blue jeans and she wears no shoes. She explains she can work the pedals controlling the warp threads better with bare feet. Her loom is so equipped to permit weaving the most intricate of patterns and thus it gives full range to her talent for designing individual fabric. Following her rule of design that "nature never makes a mistake in her colors", Mrs. Hillger's tweeds are designed to enhance the coloring and personality as well as to please the fancy of the person for whom they are designed.

"There is a tweed for everyone and a tweed for every occasion," she says. "I can weave tweeds suitable for—well, for the opera even."

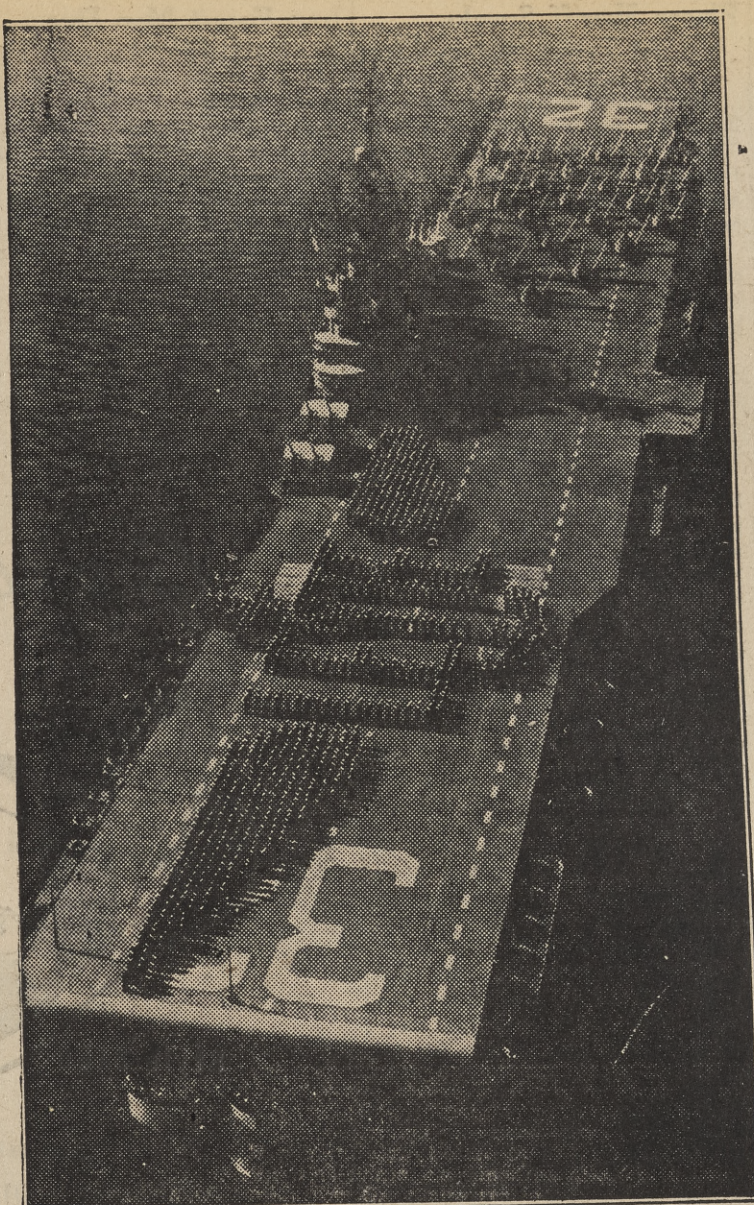

Another of the very special exhibits to appear at the Hobby Festival are the dog team sleds made by Harry Johanson, constable at Tahoe City.

These sleds, works of art, which Harry himself has built, are drawn by his beautiful Samoyede dogs. Not only are they a familiar winter sight to local Tahoe residents, but have had national publicity in a recent issue of American Magazine which describes Johanson as "cop of the wilds" who has won 83 medals and trophies for cross country dog sled racing.

Johanson has taken a particular interest in promoting the success of the Hobby Festival. Besides offering his particularly interesting sled exhibit, he is cooperating with the sponsors to provide complete protection for the safety of exhibits while on display at the Tahoe Lake School.

The wholehearted response from local citizens eager to enter exhibits in this grand festival of hobbies has been very gratifying to the festival committee, according to Mrs. C. C. Warner and Mrs. C. S. Beavers, co-chairmen of the festival.

Exhibitor's applications are to be returned to Mrs. Warner at Tahoe City by July 3. She urges those hobbyists who have not already secured and returned these forms to do so by that date, adding that "no hobby is too small or too large to be exhibited and the more participating exhibitors, the better the festival. So, come along, hobbyists, get into the show!"

CREW SPELLS OUT "LEYTE"; READ IT—Shown in the above photograph is the USS Leyte upon her recent return to the United States after several months of duty with U.N. Naval Forces in Korean waters. The Leyte joined Admiral E. C. Evans' Task Force 77 early last October after a record breaking run three quarters of the way around the world. The next day her pilots started pounding the enemy giving close support to ground troops. During the tour of duty in Korean waters the Leyte's planes destroyed or damaged over 1,000 military buildings, 127 vessels, 59 bridges, besides blocking 3 tunnels and inflicting 10,000 casualties.

**Federal Lands**

THE PROBLEM . . .

SACRAMENTO—(C. N. S.)—Out of a total of 626,560 acres of land in Nevada County, 255,518 acres, or 40.78 per cent, is owned by some branch of the federal government.

This information is contained in a report of a senate interim committee on public lands, which also contains a thorough survey of the impact of the ownership of such lands on the tax rolls of the county.

The committee, headed by Senator Edwin J. Reagan of Trinity County, has recommended a continued study of the public land situation in California, with a view to determining how much of it can be returned to private ownership and the tax rolls.

In the state as a whole, the report shows, nearly 46 per cent of all the land in California is owned by the federal government. Bulk of the holdings are in the hands of the federal bureau of land management and department of agriculture, which operates national forests. These account for nearly 38 million acres.

In two California counties, Inyo and Alpine, the federal government owns more than 90 per cent of all the land in the county.

ONE SOLUTION . . .

SACRAMENTO—Congressional action to increase contributions made in lieu of taxes to counties with federal forest lands is being urged in a report submitted to the state legislature by the senate interim committee on public lands, on which Senator Harold T. Johnson of Roseville served.

The committee's report, submitted during the closing days of the legislative session which ended last Saturday, emphasizes that many rural counties in California are being deprived of income from property taxes because tax-exempt federal lands are spread across large areas within their boundaries.

"The fees collected from the government in lieu of taxes total far less than what the county would receive if the land were privately owned," Johnson declared. "Our committee believes there is a definite need for federal legislation to enlarge these fees if anything approaching an equitable situation is to be achieved."

The committee also urged the federal government to review its management of public lands as a first step toward their return to

First Grandchild Arrives  
For Tahoma Couple

TAHOMA—A son was born to Mr. and Mrs. August R. Specht Jr. of Sacramento on June 14. The child was named August Raymond III and is the first grandchild of Mr. and Mrs. A. R. Specht, who have been residents of Tahoma at Lake Tahoe for the past 20 years, where their son, A. R. Jr., spent many years before entering the army in World War II and on his return graduated from Stanford. He then joined the B. F. Goodrich Rubber Company and is now located with them at Sacramento.

either state or public ownership.

It pointed out that 46 per cent of the total land area in California is federally owned and in a state with a rapidly expanding population, this represents a genuine threat to the general economy.

"This is especially true," Johnson noted, "in cases where this federally owned land is in the immediate vicinity of expanding communities. Provision should be made by Congress for the release of these lands that are needed for community development."

WAR, PEACE CHOICE  
IS OUTLINED BY  
SPEAKER TO A.A.U.W.

The people of today's world must decide between a war of annihilation and a "live and let live" peace, according to Stephen Thierman, executive secretary of the American Friends Service Committee.

Thierman spoke Tuesday evening to members of the Tahoe-Sierra branch of the American Association of University Women at the home of Mrs. W. E. Randall.

He discussed the Quaker proposals for peace as outlined in the recent booklet "Steps to Peace." These include persistent and open-minded negotiations with communist countries, control of atomic and conventional weapons through the United Nations, disarmament and world technical assistance and the making of a stronger UN organization by admitting the 14 nations not presently members and organizing an effective world police force.

Thierman, a resident of Palo Alto, is at Tahoe as a speaker for the high school conference on international relations, now in progress at the Methodist Conference Grounds at Lake Forest.

**Placer Sheriff Speaks At Tahoe Rotary Club**

The regular meeting of the Tahoe City Rotary Club was held Tuesday at Homewood Resort, President Don Snyder presiding and 26 Rotarians and guests present.

Snyder called a two-minute silence in memory of the late Ted Schlueter, who was a charter member of the club.

The president advised members that they could bring their wives to the Rotary meetings and special tables are being set up to accommodate the ladies.

The guest speaker was Sheriff Bill Elam of Placer County. He gave a resume of his police career and told how he was progressing, hoping to have radio equipment to enable him to reach Lake Tahoe in an emergency. Elam then introduced his deputy, William Scott, who spoke on the importance of radio in case of a national emergency. Scott is highly trained in this field and stated that he would come to the lake area and hold classes in the use of radio should any emergency arise.

The visitors list included George Kehlet, Meeks Bay; Bishop Noel Porter, Sacramento; Henry Ford, Modesto; John Klause, Sacramento; Fred Wilson, San Jose; C. G. Price, Watsonville; Phil Ackerman, Oroville; Hall Ross, San Mateo; Fred S. Wilson, San Jose; Lew Singers, Los Altos; M. O. Owens, Lenoir, N. C., and Don Huff of Woodland.
